A NOTE FROM THE DESIGNER

I have an idea of such template from beginning of creating materials for DMGUILD but I finally I decided to make it after seeing amazing Simple Word Template designed by Laura Hirsbrunner.

Laura – you are amazing. Thank you very much for your template and inspiration you gave to me.

I was inspired to create this template by amazing works of Laura and Nat.

If you want to use complete simple and not complex Word template – I Can recommend to use Laura's.

My template, from other side, has:

- More styles
- Hotkeys to applying them
- Additional samples of tables, sidebars and other elements.
- Different variation of Statblockslearn about this product and support my work.

Best Regards, Anton Palikhov

SUPPLEMENTAL FILES

In Appendix: Supplemental Files you will find links to my designs of statblocks and useful graphical elements – you can freely use them to your own work, but you can't use them for any commercial product.
